

STATE OF NORTH DAKOTA
OFFICE OF STATE TAX COMMISSIONER
Cory Fong, Commissioner

January 7, 2008

Dear Transmission Line Tax Filer:

This letter is to invite and encourage you to take advantage of the electronic funds transfer (EFT) program the North Dakota Office of State Tax Commissioner (Commissioner) has implemented for Transmission Line Tax payments. This program is being conducted entirely on a voluntary basis. The Commissioner has adopted the Automated Clearing House (ACH) credit option for Transmission Line Tax electronic payments.

Essential information must be provided with an ACH credit payment submitted to the Commissioner's banking institution to ensure the funds are applied correctly to a taxpayer's account. This information is provided in an addenda record which is part of the EFT transaction. The information to be provided in the addenda record will include the taxpayer identification number, tax type code, tax period end date, form type, and amount. On the following page you will find the banking convention layout for the addenda record with an example provided. The layout is provided using the banking standard TXP format.

An ACH credit requires the Commissioner to provide bank routing and account information to the taxpaying entity so they can contact their banking institution to initiate a payment. The Commissioner's **ABA bank transit routing number** is "**091300285**" and the **account number**, to which funds should be transferred, is "**0910231**".

It is required that you contact your banking institution to send a prenotification (i.e., \$0.00 ACH credit transaction) to test the accuracy of the TXP format before you send an actual tax payment.

We request that once you start making your annual Transmission Line Tax payments utilizing EFT that you continue to make all payments using EFT. **You will still be required to submit a signed annual Transmission Line Tax report, which may be faxed to 701.328.3700, or mailed as in the past.**

Please notify Marcy Dickerson if you would like to take advantage of the EFT program, or if you have any questions. You can contact her at 701.328.3128, fax at 701.328.3700, or you can E-mail her at mdickerson@nd.gov.
